## Alla Bartoshchuk

Alla Bartoshchuk is a storyteller at heart and uses symbolic imagery to tell those stories. The symbols are usually implied; they are private, imaginative images that arise from the depth of the psyche and embrace the surreal quality of dreams, fantasies and premonitions. She often employs the human body to tell a story and convey specific emotions. Every detail adds to the drama of the overall painting. Born in Rivne Ukraine, Alla received her BFA from Memphis College of Art and her MFA from Laguna College of Art and Design. She teaches at Miracosta College.
